FAX: 916-445-4927

The State of California Mental Health Services Oversight and Accountability Commission (MHSOAC) has closed applications for membership in its Client and Family Leadership Committee.

We have closed applications so we can complete the selection of new members and proceed with the committee's work. During a two-month application period for the OAC Client and Family Leadership Committee, we received responses from many outstanding candidates with engaged voices and perspectives including lived experience with the effects of mental illnesses, either personally or through family members that represent diverse communities of California. CFLC membership will be open again as current member's terms expire.

All Client and Family Leadership Committee meetings take place the Wednesday before OAC meetings and are open to the public. Thanks for your interest.
