

Accountability, Oversight and Transparency

ROLE-OVERSIGHT, ACCOUNTABILITY

Pay attention to what's happening
Notice what's working and what isn't - figure out what to do about it

TO HAVE OVERSIGHT, ACCOUNTABILITY – NEED TO KNOW THINGS

Must develop relationships, especially with clients/family members, ethnic/cultural groups and other stakeholders

IN EVERYTHING WE DO – MUST BE INCLUSIVE, TRANSPARENT

As the Commission decides things, makes recommendations, carries out its roles and responsibilities, EVERYONE must have opportunity for participation

MUST CLOSE THE LOOP

Report back to the legislature
Report back to clients/family members, stakeholders, allies, etc.
