

## California Strategic Plan for Suicide Prevention: Every Californian is Part of the Solution

### Recommendations of the Suicide Prevention Plan Advisory Committee to the California Department of Mental Health

Draft for Review  
January 11, 2008

Stakeholders and other interested parties may offer their comments on this latest draft of the Recommendations of the Suicide Prevention Plan Advisory Committee to the California Department of Mental Health (DMH).

Written comments can be submitted electronically to [Caitlin.Viscardi@dmh.ca.gov](mailto:Caitlin.Viscardi@dmh.ca.gov) or by mail to the Prevention and Early Intervention Section, DMH, 1600 9th Street, Room 350, Sacramento, CA 95814. Written comments must be received by DMH by no later than January 25, 2008.

To help facilitate this review process, it is requested that written comments state the issue or concern by referencing the corresponding section and page number from this draft document. If you have additional information to offer, please be sure to include the full citation or reference source.
