Plan Projects:

This PEI Plan has 2 projects:

- 1) Prevention and Intervention for Pre School (PEIPS)/Enhanced Second Steps (ESS)
- 2) Friday Night Live/Club Live Extension

Plan Strengths:

- Colusa's Community Program Planning (CPP) was strengthened with translations of surveys and outreach material.
- The County made a strong effort to facilitate and encouraged participation of community members by holding meetings at different times of the day and in non-mental health locations.
- The CPP process ensured ethnic communities involvement by outreaching to migrant camps, churches, and preschool and English as a Second language classes. The Outreach to Native American and Migrant populations reflects a determined effort to ensure participation by diverse and underserved populations.
- The PEI projects chosen build on existing structures and make use of existing community resources.
- The Friday Night Live/Club Live project is accessible, safe and culturally appropriate for the community and driven by community need. Expanding on these existing projects is an excellent use of PEI resources.
