Test Script Scenario #5 (Completed)

This Scenario will test security functions and security administration of the system. The “system” is defined as all of the components necessary to provide the clinical functionality tested in the clinical scenarios, as described in the Application for Certification. This system consists of all necessary network nodes, all platform components delivered by the Applicant, and all the Applicant components (e.g., documentation) included with the system.

June 12, 2008, from 1:30 p.m. to 3:30 p.m.
Phone#: 1-877-468-2139
Participant Code#: 189240

=====
Test Script Scenarios #6 and #7 (Completed)

Self-Attestation Summary: Scenarios #6 and #7 will outline documentation requirements and any other items to which the Applicant will “self-attest” that it meets the Department of Mental Health (DMH) Certification Criteria.

June 13, 2008, from 1:30 p.m. to 3:30 p.m.
Phone#: 1-877-468-2139
Participant Code#: 189240

=====
Test Script Scenario #6a

Scenario 6a will outline documentation with preapproved ePrescribing network.

June 26, 2008, from 2:00 p.m. to 4:00 p.m.
Phone#: 1-877-455-8688
Participant Code#: 767693
