

Announcing:
APS/DMH Webinar Conference on the
EPSDT Performance Improvement Project (PIP)

Workshop Agenda: This webinar will summarize the statewide status from the initial compilation of EPSDT PIPs submitted on May 22. Several counties will discuss issues related to development and implementation of their PIPs.

Date of Call: Wednesday, 06/24/09

Time: 10:00AM – Noon

How do you connect to this webinar?

Note that this is a webinar and requires participants to call into a conference number and to simultaneously sign on to the designated web site. APS will be utilizing an AT&T operator who will assist when questions are asked. The numbers appear below. Please note that these numbers have not been used in previous conference calls or Webinars, and apply to this Webinar only.

We suggest that you sign on to the web page ten minutes prior to the start time to assure that you have the appropriate cookie downloaded so that you may view the web presentation.

Teleconference Dial-In Number(s):

(866) 233-3841

Participant Access Code: 103339

Web Meeting Access Information:

* Web Meeting Address: <https://www.webmeeting.att.com>

* Meeting Number(s): 5114686455

* Participant Code: 202291

Please Note:

The first time you use the Web Meeting Service, you will need to download the client software. This will take place automatically as you login and should take about a minute. Web Meeting HELP & Software Downloads can be found at: <https://www.webmeeting.att.com>
