## EPSDT PIP Instructions

The **Clients TAB** contains the initial list of clients who meet the criteria for inclusion in the initial PIP process. This data is intended to assist MHPs to establish a local study question and study group. MHPs should review the list, identify those clients who are no longer receiving services and remove those clients' from the data set.

MHPs are required to establish a process for ongoing identification of clients who meet the criteria for evaluation to participate in the PIP. The MHP must have data-driven criteria/rationale for inclusion and/or exclusion of new clients in the eligible study group. The criteria for client evaluation to participate in the PIP are:

**Criteria A:** Any EPSDT eligible client who received \$3,000 or more of EPSDT day or outpatient services in any month for FY07-08. And any client who received \$3,000 or more of EPSDT day or outpatient services in any month in FY08-09. This group totals 28 MHPs.

In FY07-08 28 MHPs had 100 or more clients who met the above criteria. These MHPs will continue to use this threshold for determining PIP eligibility in FY08-09.

**Criteria B:** For MHPs where Criteria A does not result in a meaningful study population, the MHP will evaluate clients for inclusion if the client exceeds a monthly dollar threshold based upon the MHP's top 5% annual dollar value from FY07-08. This criteria is applied to the 28 MHPs who had 99 or fewer eligible clients who received \$3,000 EPSDT services in any month in FY07-08.

In FY07-08 28 MHPs had 99 or fewer clients who met the \$3,000 in a month threshold. These MHPs will use Criteria B for determining PIP eligibility in FY08-09. Each MHP using Criteria B for initial baseline and FY08-09 eligibility will note the monthly threshold claims amount at the bottom of these instructions.

The file label for each MHP's baseline client information indicates whether the MHP is 3K or Top5.

Each MHP's individual threshold is listed below as part of these instructions.

<b>County Code</b>	98 - Top 5
<b>County Criteria</b>	Criteria B
<b>Monthly Threshold</b>	\$723
